

Kindermusik Village

Age Range: Newborn to 1½ years.

Class Structure: Eight units, each eight-weeks long.

Class Length: 45 minutes.

Imagine your child swinging softly in a blanket or dancing with you around a maypole. Village provides a delightful environment unlike any other. Through a unique blend of multi-level activities that includes creative movement, vocal play, object and instrument exploration, and a colorful literature component, your baby's growth and development are stimulated and all of his senses engaged.

Kindermusik Village, for children newborn to 1½ years of age, incorporates the most current research on early childhood development and provides families a special place for learning and connecting with other parents and babies through music and movement. High quality, professionally created class and At Home materials include Kindermusik Foundations of Learning, insights based on current research that educate parents about their babies' unique development.

Benefits for You and Your Child

- Educates you about your baby's total development through Kindermusik Foundations of Learning statements based on the most recent research.
- Encourages joyful participation in a music making community.
- Nurtures bonding between you and your child through intentional touch warm-ups, exercises, interactive dances and musical play.
- Provides natural connections between singing and reading out loud, listening and communicating through literature books.
